

Evidencia

The screenshot shows the MIT App Inventor Designer interface for the project "HelloPurrStarter". The left sidebar lists components: Botón, CasillaDeVerificación, CircularProgress, SelectorDeFecha, Imagen, Etiqueta, LinearProgress, SelectorDelista, VisorDeLista, and Notificador. The main area displays "Screen1" with a title "Enter Your Password" and a password input field with a redacted password. A "Submit" button is positioned below the input field. The right sidebar shows the properties for the "Botón1" component, which is currently selected. The properties panel includes sections for Appearance (ColorDefondo set to "Por defecto", Negrita checked), Tamaño de letra (15.0), TipoDeLetra (set to "por defecto..."), Alto (Automático...), Ancho (Automático...), and Imagen (set to "Imagen").
